

"A" CLASS

# LOURADO

SUPERFOODS SINCE 1980

Lourado, UK LTD is a UK distributor of Lourado Limited in Uganda, known for growing award winning fine (specialty grade) coffee among other agricultural products.

Lourado, UK LTD is a limited liability entity established under U.K laws with a registration number SC 754016 at 2 walker street, Edinburgh, EH37LA.

We mainly deal in the sale, delivery and or supply of micro-lot specialty grade green bean coffee from our own Robusta farm and, Arabica from 15 farmers we work closely with in the Mt. Elgon region of Uganda.

# UNIQUE GOURMET COFFEE

Our fine Robusta coffee is grown organically on our non-GMO certified farm at 1400 meters above sea level in central Uganda in a village of Nakakono.

NAKAKONO

FINE ROBUSTA COFFEE

# OUR PROMISE

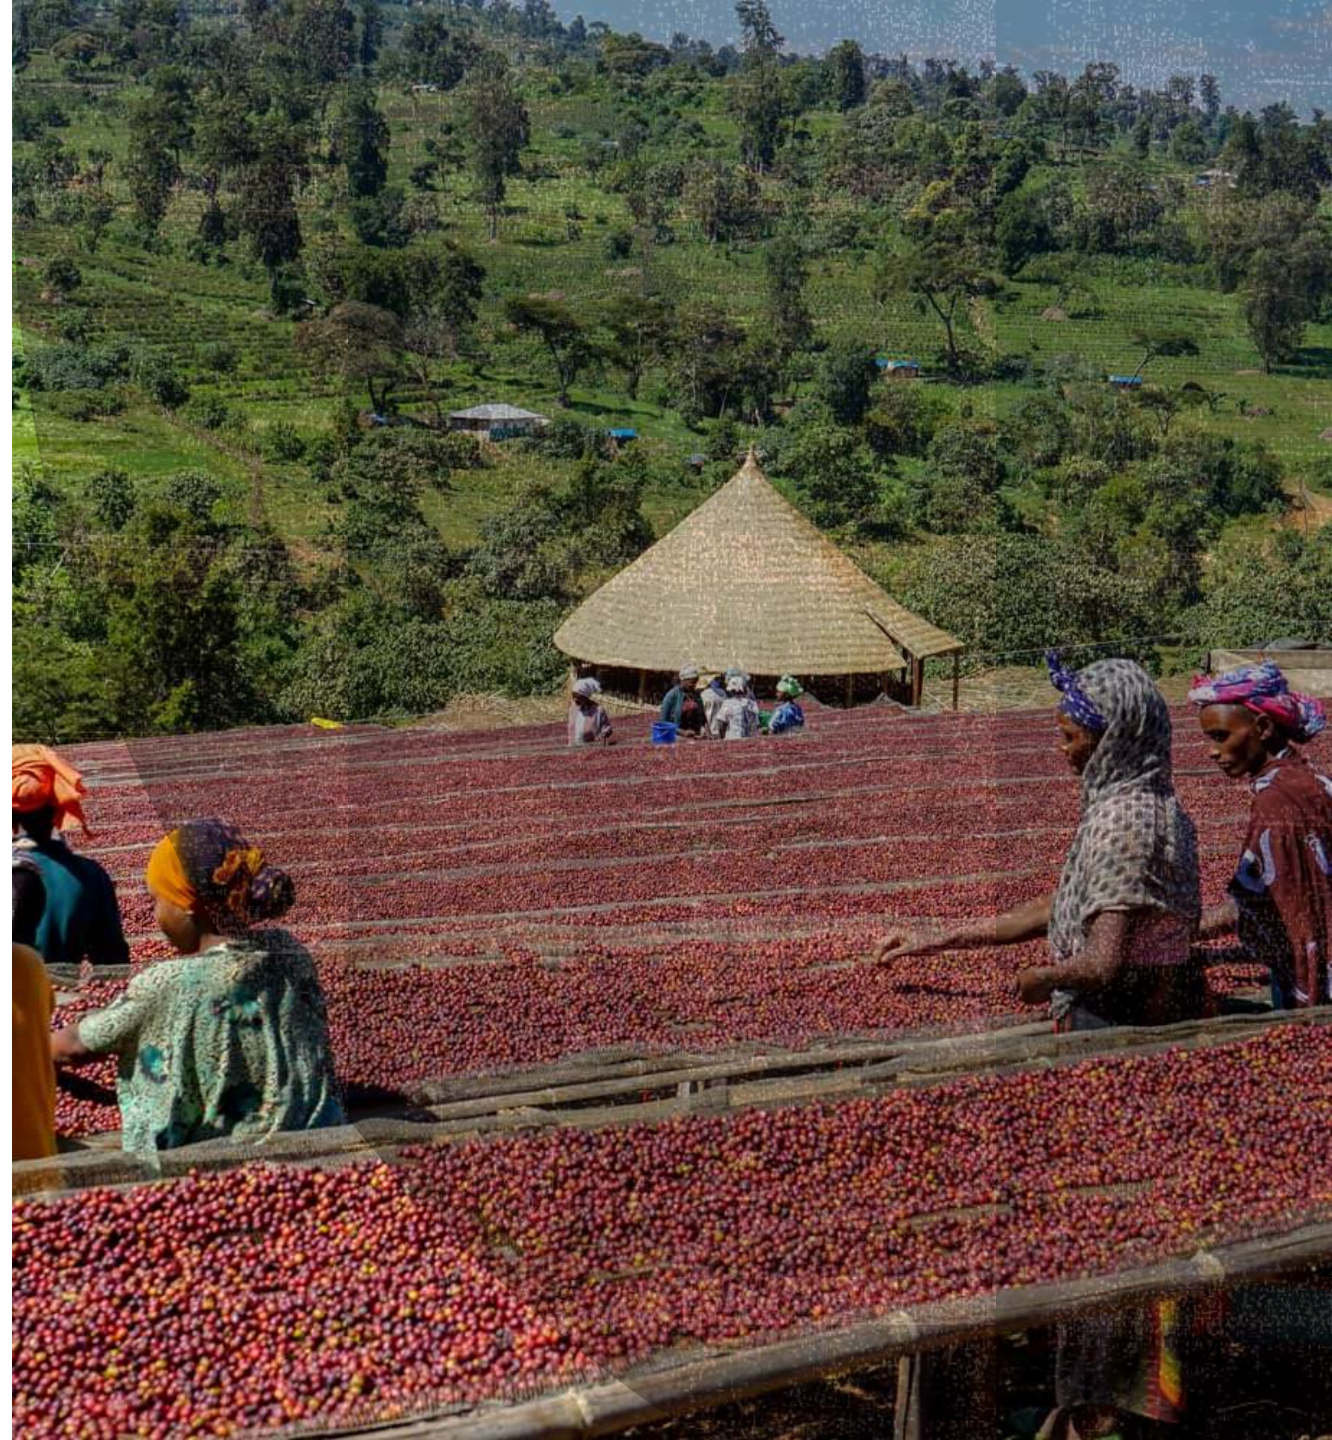

SINGLE ORIGIN COFFEE

SPECIALTY GRADE COFFEE

NON-GMO CERTIFIED

# NAKAKONO VILLAGE

- OUR FARM IS LOCATED IN THE VILLAGE OF NAKAKONO.
- 1400 METERS ABOVE SEA LEVEL IN CENTRAL UGANDA.
- THE COFFEE IS GROWN ORGANICALLY
- THE COFFEE FROM THIS VILLAGE IS REPUTED FOR IT'S FLAVOUR OF BLACK PEPPER AND CLOVES WITH A SWEET CARAMEL, MALT AND DARK CHOCOLATE AFTERTASTE.

# SPECIALTY GRADE

- Our coffee has been cup tasted to specialty grade.
- By an expert team of R-graders of The Uganda Coffee Development Authority (UCDA).
- The scoring pattern is adopted from SCA.
- It has always scored between 83 and 86.

## **NON-GMO CERTIFIED**

---

**WE ARE CONCERNED ABOUT  
THE HUMAN AND PLANETARY  
HEALTH.**

**AND WE KNOW YOUR  
CUSTOMERS APPRECIATE;**

- Convenience
- Traceability
- Food safety,
- premium taste
- Transparency.

## PREMIUM TASTE

- All our beans are picked at the peak of perfection.
- Dried in natural sunlight off the ground
- On elevated tables made up of neutral materials.
- Holding on to the strictest of standards before being processed.

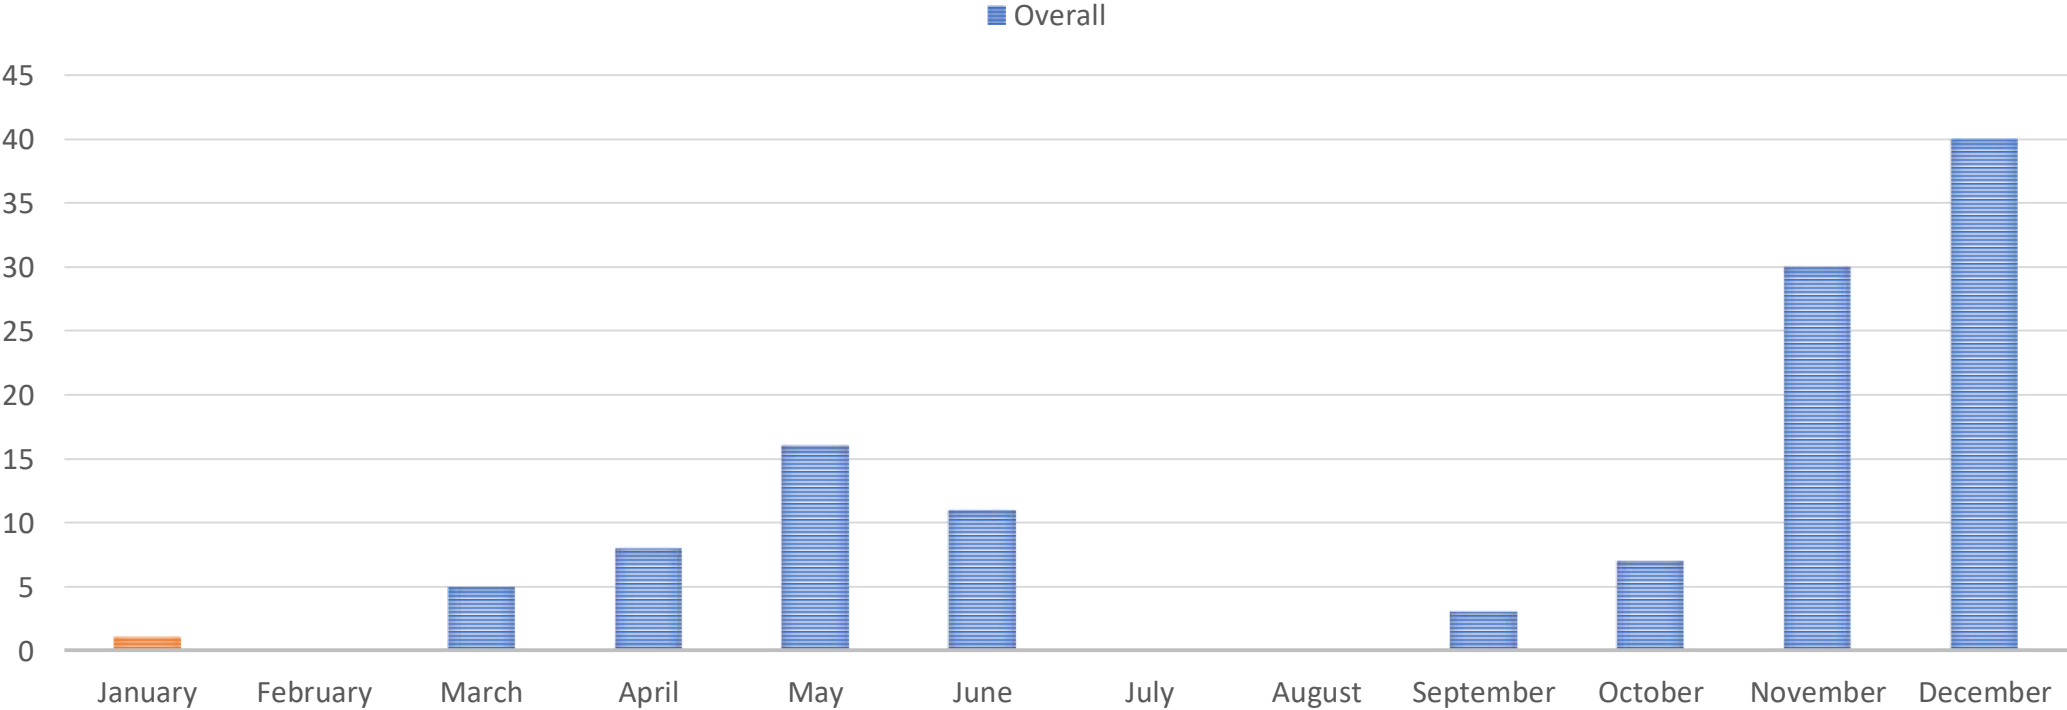

## **TRANSPARENCY AND TRACEABILITY**

To us, single origin does not mean central Uganda, nor just the village of Nakakono, nor farm, but the micro-lots from the specific blocks of the 250-acre farm. Soil properties change block to block and so do the flavors.

# OUR HARVESTING SEASONS

CHART TITLE

**WHY DEAL  
WITH US?**

---

We prefer to be portrayed as partners than just green coffee vendors

# OUR PROCESS

Tight control of the whole value and supply chain can guarantee the transparency, traceability and premium quality.

We Plant

We Grow

We Deliver

# OUR COLLABORATION WITH THE COMMUNITIES

Our company has a program with small holder farmers who share our values in the Mt. Elgon region which is reputed for an excellent arabica coffee crop, we are sharing our know-how to improve the pre and post harvesting handling towards increasing the value of their crop.

We use our export licence to export their specialty grade coffee beans and deliver them to Specialty coffee consumers like you. Dealing with us is one way to guarantee a reliable market for their high-quality produce.

# AWARDS

---

- Our fine Robusta was recently awarded a superior taste Award by the International Taste Institute in Belgium.

- The same Robusta won a gold award in the Japan food and beverage awards in 2022
- Jury consisted of international coffee buyers and cuppers

# AFFILIATIONS

---

The organic certificate by ecocert in south Africa and fair-trade certification are both underway
